If it cannot be determined which frame and/or lens is to be ordered, the purchase order should read, "One pair of Prescription Safety Glasses for (employee's name) as prescribed and according to SPO Price List No. PL 97-16". Unit price column should show the price based on this price list but if it cannot be ascertained which lens is prescribed, price column should read: "estimated price \$\_\_\_\_\_, tax excluded".

Employees may purchase frames (other than those described) provided that frames have permanent side shields and requirements conform to safety requirements and that the employee pays the difference in price, if any.

Employees wishing to purchase darker tinted lenses must first get clearance from the Department of Human Resources Development, Safety Branch. Photochromic lenses shall be unacceptable for safety glasses purchased by the State.

Questions or problems relating to this price list may be directed to Ms. Caroldynne Yamashita at telephone No. 586-0566.

Please type SPO PL No. 97-16 on purchase orders issued against this price list.
